Category: red other

Please make your chili elsewhere and bring it in roaster ovens or crock pots to Carps.

There is a \$5 entry fee.

People will pay a flat fee of \$5 for a 1 oz. sample of each chili and will cast their vote for their favorite in each category. At the end of the contest, the chili in each category with the highest number of points wins.

The money generated will be divided among the winners of each category, so the more people you bring in the more you could win!

Rules:

1. Must be homemade and brought in "ready to eat" BEFORE NOON.
2. Must make enough to feed approximately 100 people (one gallon).
3. Contestants must provide their own heating apparatus and extension cords. Spoons and cups for use in serving chili to the general public will be provided.
4. Chili may be made with or without meat or beans.
5. Please provide a sign if your chili contains seafood or nuts.

All decisions are final! Good luck!
